

Terminály Motorola – WT41N0

System:

- Processor: OMAP 4 @ 1.0 GHz
- Memory: 512 MB RAM / 2 GB Flash
- OS: Windows Embedded Compact (CE 7.0 Professional)

Design and Ergonomics:

- Arm- or hip-mounted
- Designed for full-shift comfort and no intrusion beyond corporeal envelope
 - Dimensions
- 142 x 93 x 26 mm (11.3 oz) – 1X battery

Display:

- 2.8" color QVGA – 320 x 240 landscape
- Available with and without touch screen
- Available without display

Accessory eco-system:

- Works with all existing wearable accessories
 - Wearable scanners
 - Headsets & adapter cables
 - Wrist & hip mounts & freezer pouches for use in coldest warehouse freezers

Voice Support:

- Can supports partners' voice-recognition and TTS engines for voice-directed applications

Battery:

- 2400 mAh standard battery
- 4800 mAh high capacity for a full freezer shift
- Extremely rapid one-handed battery swap

Connectivity:

- WLAN: 802.11a/b/g/n
- WPAN: BT v2.1 + EDR

Superior Ruggedness:

- Multiple 4 ft drops to concrete across operating temperature range
 - IP54 sealed
- Freezer pouch supports warehouse freezer use
- Rugged connectors for audio adapters or ring scanners

Data Capture:

- Optional Wearable Scanners:
 - RS507 cordless BT or cabled Imager w/ SE4500 imager engine
 - RS409 cabled ring scanner with SE955 laser engine
 - RS419 cabled ring scanner with SE965 laser engine
 - RS309 cabled back-of-hand scanner with SE1224 laser engine & freezer specs
